The Commonwealth Corps positions are offered by Franklin County CDC thanks to a grant from the Massachusetts Service Alliance. FCCDC is part of a six-member Western Massachusetts Community Development Corporation (WMCDC) collaborative participating together in the Commonwealth Corps Program. The WMCDC collaborative serves 71 communities in western Mass. including the cities of Springfield and Holyoke.

The mission of the Commonwealth Corps is to engage Massachusetts residents of all ages and backgrounds in direct service to rebuild communities, address unmet community needs, and increase volunteerism. Across Massachusetts, more than 250 Commonwealth Corps members will serve up to twelve months in full-time or part-time capacities at 36 designated nonprofits and public entities. What they have in common is a desire to put their talents and ideas to use in the service of their communities and the Commonwealth.
